Public Baccalaureate and Graduate Instructional Locations by Type

continued

Characteristics of Location Types (See Policy B-1 in the Program and Facility Approval Policies and Procedures for additional detail)				
Teaching Site	Temporary Facility	Limited number of programs or students	150 FTE or Less	1-3 Programs
Center	Significant long-term investment of public resources	May be a multi-institutional teaching entity or a single university/college enterprise	150-1,500 FTE	Two or More Programs
System Campus	Substantial long-term commitment of capital and operating resources	May first operate as a center or branch campus	Legislative Mandate	Comprehensive program array and larger student population
<p>*Not Addressed in 9/06 Approval by HECB. **Enrollments reported in this section are duplicated in other sections of this table (noted in FTE column) Data Source: FTE data represent fall 2008 enrollments as reported in PCHEES/HEER. Classifications based on September 2006 Classification of Off-Campus Sites and Centers (resolution 06-28).</p>
